

Workshops for Schools, Children & Youth Projects

Sally Danys, Caroline Mann and Liz Treadway work with schools, community groups and museums on creative, fun projects. We offer a variety of inspirational creative workshops including:

- Felt Making
- Peg Loom Weaving
- Proggy Mat Making
- Silk Paper Making
- Fabric Painting & Printing
- Textile Wrapping
- Ceramics
- Silk Painting
- Creative Business & Enterprise Skills

Peg Loom Weaving

We tailor our sessions to suit each school and project. The children we work with create: flags, banners, beads, mats, tactile books, letters, pictures, jewellery, mosaics, tiles, funky creatures and more!

We also work with young people with learning difficulties.

We have experience of a range of projects, exhibitions and performances and run whole or half day sessions throughout the year including half-term.

Lapwing members have current CRB certificates and Lapwing Crafts Ltd has public and product liability insurance up to £5 million.
